

**Senior competition:** Plan a ride that visits these places. One point for every feature visited. Two points for each feature if multiple ones visited on the same ride. In the event of a tie, the greatest total distance covered in the rides is the winner! All rides must take place during June 2020.

Once again, there are two £15 FAUN vouchers to be won – one for the winning male rider and another for the winning female rider. Open to club members only. Post photos of your bike at each location on Facebook, or upload rides to Strava – as you go would be great, to inspire others! In the absence of a more inspiring hashtag, please use #MCStreasurehunt.

## Junior competition

Same idea as the senior competition. Mostly on the Malvern Hills, but a couple further afield. Collect the full list to spell out 'MALVERNS'! Bonus points are available to any riders who manage to visit locations on the senior list. Open to club members only. Post photos of your bike at each location on Facebook, or send the final list to malverncyclesportsecretary@gmail.com.

No prizes arranged yet, but get started – just in case!
