

## Minutes of MCS Committee Meeting 16.06.20

Present: RB, JB, JD, SF, EM, MN, MT

8pm – Held ‘virtually’ via Zoom.

### Welcome

The committee welcomed Mike Tibbits as Welfare Officer. Mike has been co-opted onto the committee until the next AGM.

### Club activity

Regarding the current restrictions on club activity, it was agreed that we would continue to follow BC advice rigidly. This means that our current situation will be reviewed towards the end of June when the next BC update is due. It is thought likely that senior activities will be able to resume from 4<sup>th</sup> July. Resumption of junior activities cannot be considered yet.

#### Actions

- Junior coaches meeting to be held shortly after 4<sup>th</sup> July (JB)
- Liaison with Sunday rider to assess their ‘appetite’ for activities. [Since done and found to be limited currently re Sunday road rides]

### Membership administration

There was discussion about the comparative merits of the BC system and the system developed by JD/EM. Decision delegated to Chair/MN/JD. [Who have since met and determined to stick with BC method this year – subject to further review]

#### Actions

- Talk to compliance officer about use of BC system (RB)
- Welcome email established by 30th June (RB/MN/JD)

### Bulletin

Aim – to be sent out by 30<sup>th</sup> June. Content to include:

Welcome the club’s new welfare officer  
Announcement on club membership fees due  
Competition winners (May)  
June competition update

#### Actions

- Draft bulletin to be shared with RB (MN)
- Any further ideas to be passed to MN (All)

### AOB

- RB thanked JD for work on club kit, having acknowledged frustration in being unable to get BC to sign off the design [Update: BC have now signed off the kit design]
- JB to pass details for contact re Strava group to JD
- MN to pass details to JB regarding Greenpeace contact
- MN to check coaching query and contact JB
